

Household Survey Feedback and Village Day

The Neighbourhood Plan team will have a stall at Village Day on Saturday 15th July 2017 and are looking forward to providing feedback to the community on the findings from the Household Survey that many of you contributed to recently. Come and see what you all think!

In addition, to promote the Environment aspect of the survey, everyone will have the opportunity to help build a couple of large bug houses for siting within the Parishes, and find ways of encouraging and supporting wildlife in your gardens.

Work from Home?

Don't forget, we would like to gain the views of those who Work from Home, so if you would like to tell us your thoughts and ideas about what you need to support you in your business, just send your email address to Catherine Faulkner, Neighbourhood Plan Administrator at RuishtonNP@hotmail.com. We will then contact you later this year to gain your views on what your current business needs are, what works well for you now, and what you may wish for in the future, so that this can be considered as part of our Neighbourhood Plan. Your details will not be used for any other purposes than to contact you in relation to the development of our Neighbourhood Plan. It doesn't matter whether you Work from Home occasionally or regularly as your views are equally of value.
